Delinquent Bills- 19 delinquent notices mailed out for shutoffs on December 5th.

Old Business-

Collapsible drum liners are going to be ordered and should arrive by the end of December.

A mini refrigerator has been obtained for the lab at the water plant.

\$3920 quote was received from Mike Leis to install the meter at Kiwanis. Mark Hardin has been in contact with Mike Leis and told him we would provide extra labor and bolts.

Lagoons need mowed inside the fence. Roger Dietrich reported the Village should cut all the trees down and then spray with roundup.

Mark Heller reported he has not run the south well lately. The well has a casing down to 60 ft and the pump is down another 100 ft. The board is still trying to figure out how debris and rocks are getting into the pump. Mark Heller and Tyler Howell is going to exercise the well more and do some further investigation.

Mark Hardin suggested putting a check list on the pump station to make sure the county is performing all the work the board wants down like exercising the valves.

The county came in and started repairs on lift stations #1. So far the bills for the repairs:

The Craun-Leibing Company \$961.31 (Pump parts)

The Craun-Liebing Company \$5284.40 (Pump parts)

Dezurick \$2283.00 (3 way valve)
