Old Business-

Buckeye Pump is still looking into the high service pump that was pulled and why it failed. The plant is running on the 2nd second high service pump and a backup pump is at the plant in case the other one fails.

New Business –

Pumping around 35,000 per day at the plant.

Tyler Howell needs to purchase a mail box for the outside of the water plant to allow Shane Akers to pick up lift station paperwork since the plant is locked.

Tom Tucker had a meeting with Tom Gleespen regarding the water line replacement along Market Street and the project should start late this summer.

July 10th Tyler Howell will be taking his water operators test.

Tyler Howell reported that the meters throughout town read 4 different ways and makes reading meters very difficult. HD Supply was contacted and a part was ordered that will calibrator/register each meter to read the exact same with a cost of \$300.

The next regular meeting will be July 17, 2017 in the Village Council Room.
