

**THE VILLAGE OF LARUE, OHIO
ORDINANCE NUMBER 2011-6**

WHEREAS the Village of LaRue previously undertook to provide updated storm and sanitary sewers for its resident; and

WHEREAS the Village of LaRue is currently updating and replacing much of the existing water supply system; and

WHEREAS the Village of LaRue has expended considerable sums of money and is committed to repay considerable sums in the future to various funding sources; and

WHEREAS the income stream from billing residents for water and sewer use is inconsistent and sometimes inadequate for servicing the expenses and debts associated with the water and sewer systems;

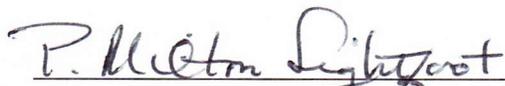

NOW, THEREFORE, IN CONSIDERATION OF THE FOREGOING, the Village of La Rue imposes, effective July 1, 2011, the current monthly base rate for water service to be imposed on a developed structure with a water tap connected to the structure with or without a meter regardless of whether water is used at the parcel during the billing period.

In addition, the Village of La Rue imposes, effective July 1, 2011, the current monthly base rate for sewer service to be imposed on a developed structure with a sewer tap connected to the structure with or without a meter regardless of whether sewer service is used at the parcel during the billing period.

The Village Council may adjust the rates periodically as it deems appropriate.

President, Village Council

Mayor, Village of La Rue

Clerk, Village of La Rue
